**Unfinished Business:** None

**New Business:**

**Program of Work**

**-Financial Management:** Creating an online store to sell new AZSkillsUSA merch to our members in a fully virtual environment

**-Leadership Development:** Helping organize/host mock interviews or mock interview training for AZSkillsUSA members to better their interviewing skills when entering the workforce. Get the state of Arizona to turn in 30 or more PVSA applications by doing webinars where we can help them fill out the applications and explain what it is.

**-Community Engagement:** Creating a podcast that educates the community on SkillsUSA as well as how industry leaders got to where they are by answering community sourced questions

**-Partner & Alumni Engagement:** Featuring Alumni on the Podcast to share their experience and growth through SkillsUSA as well as our industry partners who can share why they are partners of SkillsUSA

**-Workplace Experience:** Meeting with our specific industry professionals to truly discover what it means to work and actively engage in our CTE specific field/workplace.

**Announcement:**

Mrs. Martinez made an announcement about new things coming up.
