Notations

Rankings can be located in the contest updates folder for your region. Available 48-72 hours after closing session.

Substitutions will be taken in rank order, if a qualifying student cannot attend, the next ranked student will be notified they can register.

Substitutions for qualifying events are only allowed through the ranked order of competitors at regions. You cannot substitute a different student from your chapter that did not rank in the competition.

If students are registered for competitions they did not qualify for, the registration will be deleted and the advisor will be notified

View the State Leadership & Skills Conference Website for Registration Details

* The only change for the 26-27 school year is Job Demonstration Open has been renamed to Job Demonstration B
